

HABITAT PLANTS

REVEGETATION PLANTS 2024

This list contains a selection of plants commonly used for revegetation projects.

We no longer grow plants on speculation, orders will need to be placed in advance.

If what you are looking for is not on the list – please ask. Excess stock may be available at certain times of the year, if you would like to be added to our mailing list let us know via email.

- To grow plants for an autumn or spring planting we need a 6 to 18(+) month lead time, depending on species. For some slower growing plants, we need an even longer lead time.

-We start taking orders in March for the following year i.e., March 2023 for planting in autumn/spring 2024. When our growing area is full orders are closed for the year.

Ordering early will ensure you don't miss out.

- Sizes: most of our plants are grown in Slimline Tubes (50x50x120mm), select species can be grown in tray-systems.

- Prices: depending on species and quantities – enquire for a quote.

A 25% non-refundable deposit applies to orders, invoiced after successful propagation.

Growing your plants to order means:

- specific provenance selection – we will grow plants from stock best suited to your area.
- the opportunity to use your own seed or to source seed from your area.
- there is time to prepare the planting site properly.
- the right plants and quantities are ready at planting time.

Advice:

- For more detailed information we provide 'on-site' consultation.
- We can help plan and coordinate your project (incl. species selection, site preparation, planting lay-out, maintenance).

Trees & Shrubs		
#	<i>Acacia dealbata</i>	Silver Wattle
**	<i>Acacia axillaris</i>	Midlands Wattle
#	<i>Acacia mearnsii</i>	Black Wattle
#	<i>Acacia melanoxylon</i>	Blackwood
#	<i>Acacia mucronata</i>	Narrow-leaf Wattle
*	<i>Acacia myrtifolia</i>	Myrtle Wattle
#	<i>Acacia sophorae</i>	Coastal Wattle
*	<i>Acacia terminalis</i>	Sunshine Wattle
#	<i>Acacia verticillata</i>	Prickly Moses
#	<i>Allocasuarina littoralis</i>	Bull Oak
#	<i>Allocasuarina monilifera</i>	Scrub She-oak
#	<i>Allocasuarina verticillata</i>	She Oak
*	<i>Banksia marginata</i>	Silver Banksia
**	<i>Bossiaea cinerea</i>	Showy Bossiaea
**	<i>Bursaria spinosa</i>	Prickly Box
#	<i>Callistemon pallidus</i>	Yellow Bottlebrush
#	<i>Callistemon viridiflorus</i>	Green Bottlebrush
**	<i>Callitris oblonga</i>	South Esk Pine
**	<i>Callitris rhomboidea</i>	Oyster Bay Pine
#	<i>Cassinia aculeata</i>	Dolly Bush
#	<i>Coprosma quadrifida</i>	Native Currant
#	<i>Dodonaea viscosa</i>	Hop Bush
***	<i>Epacris impressa</i>	Common Heath
#	<i>Eucalyptus amygdalina</i>	Black Peppermint
#	<i>Eucalyptus coccifera</i>	Snow Peppermint
#	<i>Eucalyptus globulus</i>	Blue Gum
#	<i>Eucalyptus obliqua</i>	Brown Top Stringybark
#	<i>Eucalyptus ovata</i>	Swamp Gum
#	<i>Eucalyptus pauciflora</i>	Cabbage Ash
#	<i>Eucalyptus perriniana</i>	Spinning Gum
#	<i>Eucalyptus pulchella</i>	White Peppermint
#	<i>Eucalyptus regnans</i>	Giant Ash
#	<i>Eucalyptus rodwayi</i>	Black Swamp Gum
#	<i>Eucalyptus rubida</i>	Candlebark
#	<i>Eucalyptus sieberi</i>	Ironbark
*	<i>Eucalyptus tenuiramis</i>	Silver Peppermint
#	<i>Eucalyptus viminalis</i>	White Gum
**	<i>Grevillea australis</i>	Honey Grevillea
*	<i>Hakea epiglottis</i>	Beaked Hakea
*	<i>Hakea lissosperma</i>	Needle Bush
*	<i>Hakea microcarpa</i>	Tiny Devil Hakea

*	<i>Hymenanthera dentata</i>	Tree Violet
#	<i>Kunzea ambigua</i> 🗲	Sweet Scented Kunzea
#	<i>Leptospermum lanigerum</i>	Woolly Tea-Tree
#	<i>Leptospermum scoparium</i>	Manuka
*	<i>Lomatia tinctoria</i>	Guitar Plant
#	<i>Melaleuca ericifolia</i>	Paper Bark
#	<i>Melaleuca gibbosa</i>	Small Leaf Melaleuca
#	<i>Melaleuca pustulata</i>	Yellow Paperbark
#	<i>Melaleuca squarrosa</i>	Scented Paper Bark
#	<i>Ozothamnus ferrugineus</i>	Tree Everlasting
**	<i>Pittosporum bicolor</i>	Cheesewood
#	<i>Pomaderris apetala</i>	Dogwood
#	<i>Pomaderris elliptica</i>	Yellow Dogwood
Grasses, Lilies, small plants....		
**	<i>Arthropodium strictum</i>	Chocolate Lily
#	<i>Austrodanthonia caespitosa</i>	Common Wallabygrass
#	<i>Bulbine glauca</i>	Rock Lily
**	<i>Dianella tasmanica</i>	Tasman Flax Lily
#	<i>Dichelachne crinita</i>	Long Hair Plume Grass
#	<i>Diplarrena moraea</i>	White Flag Iris
#	<i>Ehrharta stipoides</i>	Weeping Grass
#	<i>Lomandra longifolia</i>	Sagg
#	<i>Poa gunnii</i>	Gunns Snow Grass
#	<i>Poa labillardierei</i>	Tussock Grass
**	<i>Stylidium graminifolium</i>	Trigger Plant
*	<i>Themeda triandra</i>	Kangaroo Grass
Water & Bog Plants		
#	<i>Baloskion tetraphyllum</i>	Tassel Cord Rush
#	<i>Carex appressa</i>	Tall Sedge
#	<i>Carex fascicularis</i>	Tassel Sedge
#	<i>Ficinia nodosa</i>	Knobby Clubsedge
**	<i>Gahnia grandis</i>	Cutting Grass
#	<i>Juncus pauciflorus</i>	Looseflower Rush
#	<i>Juncus pallidus</i>	Pale Rush
**	<i>Myriophyllum variifolium</i>	Variable Watermilfoil
Ferns		
***	<i>Blechnum nudum</i>	Fishbone Water Fern
***	<i>Polystichum proliferum</i>	Mother Shield Fern

species marked 🗲 are known to have the potential to invade natural bush outside their range.

Prices ex-gst

\$1.80; * \$2; ** \$2.40; *** \$3.50

- Hiko and cells trays please enquire.

Tree Guards:

Please enquire.

Recycling:

We like to re-use our pots/tubes. For nursery hygiene reasons please return them as clean as possible i.e.free of large clods of soil, snails, slaters, weed seeds, we will wash them in the nursery before re-use.
